**Subject:** FW: 2 motions to Rev. Bernard Wilson regarding Single Governance

---

Dear Rev. Wilson:

Greetings in the name of our Lord:

I am the chairperson of Hawaii Pacific Islander and Asian American Ministries (PAAM). At our September meeting of our group, we voted two motions in regards to the single governance proposal, now called the Unified Governance proposal. The two motions that were voted in the affirmative by our group are as follows:

Motion #1: That H-PAAM affirms the right of Julia Estrella to write a minority report for the Unified Governance Working Group and  
that this vote be reported to the Unified Governance Working Group.

Motion #2: That H-PAAM support our opposition to the unified governance plan (single governance) and report this to the PAAM Executive Committee.

Please share these two votes with members of the Unified Governance Working Group before your committee's report goes to the Executive Council this coming week. I hope to meet you at the next General Synod in Tampa, Florida.

God's peace and blessings to you and your committee members,

Felizardo Taripe,  
Pastor of Honolulu Cosmopolitan Church, UCC, Honolulu, Hawaii
