Strengthen the Church Offering

About Strengthen the Church

Your gift to Strengthen the Church builds the UCC's future now by funding The Stillspeaking Ministry, new and renewing churches, youth and young adult ministries, and lay and pastoral leadership formation – especially among women and people of color.

About Stillspeaking

The God is Stillspeaking Ministry spreads the message of God's extravagant welcome, reaching out especially to those who have felt there is no room for them within Christianity and the church – the excluded and alienated, the spiritually homeless, the questioning. In the last three years, Stillspeaking reached an estimated 25 million people through national, regional and local advertising including registering over 3,000 Stillspeaking Voices committed to the growth of the message and membership of the United Church of Christ.

Your offerings are directed to your church's Conference, Local Church Ministries, and The Stillspeaking Ministry for these church development, leader development and Stillspeaking purposes.

Your generosity today ensures our vibrancy tomorrow.

Another UCC First

Members attesting to the Confession of Faith, opening worship service June 20, 2010.

Among 550 Korean immigrant churches in the New York/New Jersey area, there is not one progressive Korean church. That makes The Least of These UCC, a daughter church of Judson Memorial UCC in Manhattan, another UCC First.

Newly formed in 2010, The Least of These UCC held its opening service on the 5th Anniversary of Division of the Korean Peninsula, the 30th Anniversary of the Kwangju People's Uprising against military dictatorship, and the 10th Anniversary of the Joint Declaration for Korean Reunification. Thus it proclaimed its mission to engage in social justice and God's liberation movement for and with the 'least of these,' 'people who are suffering, marginalized, exploited and oppressed, racial and sexual minorities, and the little people who seek to live for justice and truth.' 'Members identify with their Confession of Faith in this liberating God, which is "an open-ended Confession because God is still speaking;"

Founding pastor Tong-Kyun Kim offers, "Like the small amount of leaven that makes the entire loaf rise, small and common people can be the moving force in the Movement of the Kingdom of God."
