

Church Yearbook Instructions – 2021

Why submit your annual data?

We have compiled twelve reasons for you to consider why you should submit your annual data. You can find it on the [Yearbook webpage](#).

Accessing the Data Hub

- To **log into the UCC Data Hub** please go to <https://datahub.ucc.org/>. Alternately, you will find a link to the Data Hub on the [Yearbook webpage](#).
- Your **username** is your five or six digit conference church ID#. Please do not use leading zeros for the conference portion of the login. However, leading zeros should be used for the church portion of the number. (For example, the login for church #10 in the California Nevada Northern Conference is 20010.)
- **Your conference or association can provide your correct login (Church ID#)**. If you are a new church within the past year and your login does not work, please contact your conference for assistance.
- Your default password is **yearbook2021**.

The Data Hub will be available January 6, 2021 at noon until March 3, 2021 at 11:59pm EST. Please submit your data as early as possible to avoid potential delays if you should need assistance. *If your conference has asked you to submit your data prior to March 3rd, please follow their guidelines.*

Addresses

We currently track three types of addresses for churches: mailing, location and campus.

- *Mailing* is the address that is used for all church mailings and other general mailings.
- *Location* is the physical location of the church. This address is used on [Find a Church](#) to provide a map of your church location. Please note that this address is required and you must provide the County when selecting this address type.
- *Campus* is the physical location of an additional campus of your church. This address is also used on [Find a Church](#) on ucc.org.
- If you enter a new location or campus address, please also update the latitude and longitude. View the video **Updating Church Contact Info** on the [Yearbook webpage](#) to learn how to look up a latitude and longitude. (Please note, when mailing and location address are the same, both addresses must be entered.)

Providing an Address Change

- Click the *Add New Address* button. Please provide all required information: Address, City, State, Zip and Address Type. (If you select Location as the address type, County will also be required.)
- *Please only click the Add button **once** to prevent duplicate entries from being recorded.* The system may take a few seconds to process after you click the button. Do not click the Add button a second time or you may create a duplicate entry.
- ***Please only use United States Postal Service approved abbreviations in all addresses. Please do NOT use any punctuation.*** The abbreviation guide can be accessed at: http://pe.usps.gov/text/pub28/28apc_002.htm

Membership

(Video entitled **Updating Annual Church Membership** is available on the [Yearbook webpage](#).)

- On this screen you can view all data since 1992. Please click *Add New Membership Year Data* when you are ready to provide your data.
- Please do not leave any values blank. Zeroes should be entered.
- After entering all your data please click on the *Calculate Totals* button to compute the totals.
- The 2020 Membership will appear in the field labeled *Total Membership*.
- If this number is incorrect due to previous year's membership being inaccurate, please enter an adjustment number in the adjustment field. **DO NOT enter the correct 2020 membership total in this adjustment field; enter only the number you need to adjust the calculated total to be correct.** (Negative numbers can be entered here.) Click the *Calculate Totals* button again to ensure the correct 2020 membership is recorded.
- When you are satisfied that everything is correct click the *Add* button. If you need to return to this screen at a later time, please click the *Cancel* button.

Attendance

(Video entitled **Updating Annual Worship Attendance** is available on the [Yearbook webpage](#).)

- **Average Worship Attendance reported here should only be for in person worship. We will be asking about online worship in the Supplemental Survey.**
- Please compute your average worship attendance for only those weeks your church held in-person worship.

- This screen operates the same as the Membership screen. Please provide all attendance data on this screen.
- Please do not leave any values blank. Zeroes should be entered.
- If you have questions about Church Participants and Community Engagement please see the “Guide to Yearbook Community Engagement and Total Church Participants Categories” posted on the [Yearbook webpage](#).

Finance

(Video entitled **Updating Annual Financial Data** is available on the [Yearbook webpage](#).)

- This screen operates the same as the Membership screen. Please provide all financial data on this screen.
- Fields can be left blank here. Only add zeroes when that is accurate. Do not add zero if you are opting to not provide a value.
- This screen only allows whole dollar amounts. Please round to the nearest whole dollar. Do not enter decimals or dollar signs.
- All salaries should be included in your Operating Expenses, even if reported in the Ministerial Support tab.

A change was made in the last couple of years in reporting OCWM giving. Your conference will continue to report your Basic Support Giving and your giving to each of the four Special Mission Offerings (i.e., One Great Hour of Sharing, Neighbors in Need, Strengthen the Church and Christmas Fund). You will report all other UCC Giving as *Other UCC Giving*. If you have a question what this might include please see the “Other UCC Giving” document posted on the [Yearbook webpage](#).

Special Notes

- ❖ Southern New England Conference churches should NOT include their Proportional Gifts as Other UCC Giving. Your conference will report Proportional Gifts in the Basic Support Giving column. Since it is shared with the National Setting, it is analogous to Basic Support for the purpose of this report.
- ❖ New York Conference Reformed Association churches should NOT report your Assessment as Other UCC Giving. Your conference will be reporting this giving on your behalf.

Ministerial Support

(Video entitled **Updating Annual Ministerial Support Data** is available on the [Yearbook webpage](#).)

- This screen operates very similarly to the Membership screen as well. However, you can provide more than one report for the year on this screen if you are reporting for multiple ministerial staff. Please be sure to indicate if this is a full-time position.
- All data provided on this report should be annualized. If your church only had a pastor for part of the year, the compensation should be computed for an annual basis. This will ensure we can compare across churches. **This is not an actual accounting of the amount your church paid, but rather what the church would have paid for this position for an entire year.**
- This data is only used in providing summary reports of average compensation packages of numerous churches. Your church’s individual ministerial support data will not be released.
- All actual staff and ministerial compensation should also be included in your Operating Expenses reported on the Finance tab.

Staff

- This screen displays all current ministerial staff serving your church according to Data Hub records. Please report inaccurate information to your conference or association.

Editing Data

- After you have entered your annual data in the Data Hub you have access to edit this entry until the Data Hub closes on March 3rd.
- To edit data on the Membership, Attendance, Financial, or Ministerial Support tabs simply click the pencil icon beside the 2020 year data. This will open the data entry screen for you to make corrections.
- If other years' data needs correction please contact your conference or association.

Church Report

- This will provide you a report of your church's data.
- In the top left corner of this report screen you can select the year for which you'd like data displayed.
- If you'd like a printout of the data you've just reported, select 2020 from the list. (You can also print copies of previous year's reports by selecting the appropriate year.)
- You can print this report by clicking on the printer icon. You can also save this report in a variety of file types. Click on the disk icon to select the type of file you'd like to save. Your conference does not have access to print this report.
- **If you require a copy for your files, please be sure to print it before logging out of the system.**

Supplemental Survey

- This year we are continuing the supplemental data collection. We'd like churches to answer a few questions that are not part of the annual Yearbook data collection.
- This data will help the CARDD office better understand the congregations we serve and help us plan future research projects.
- We will be gathering online worship attendance in the Supplemental Survey. Further details on how to measure online worship attendance will be provided in late January on the [Yearbook webpage](#).
- A link to the supplemental data collection will be provided on the Data Hub home page. It can also be found at <https://www.surveymonkey.com/r/SUPSURV2021>.
- The survey is very brief and should take less than ten minutes to complete.
- These additional questions are included in the Church Data Entry Guide as well.

Incentives

This year we are offering several incentives for churches that submit **both** their annual Yearbook report and answer the supplemental research questions. Every church that responds to both will be entered into a random drawing for several prizes. The following prizes will be awarded:

- \$100 UCC Resources Gift Card – 5 gift cards will be awarded
- One year free subscription to Access UCC (online Yearbook and Directory) – 10 subscriptions will be awarded
- 2021 Yearbook and Directory – 10 books will be awarded
