Your Tenant-Only Fitness Facility Has Features Unlike Any Other...

Pickleball

Pickleball combines elements of several racket sports. The court, similar to badminton, has a net similar to tennis, and the paddles are similar to those in table tennis. Net and equipment can be set up on the basketball court.

Golf Simulator

Play and practice out of the elements. The Sim @ 1300 is a golf simulator that you won't be able to find in any other office building in the area. Male and female golf clubs are available to rent at no charge.

Yoga Classes

Yoga is a discipline that includes breath control, simple meditation, and the adoption of specific bodily postures. Complimentary all-levels yoga classes are offered by operator Trilogy every Wednesday at 12:30 p.m.

Basketball Court

Where else can you find an indoor basketball court in a Cleveland office building? Borrow one of our basketballs or bring your own and shoot around or play a fun half-court game!
