

LOCAL CHURCH GROUP EXEMPTION APPLICATION

UCC Local Churches that were granted standing on or after January 20, 2026 and want to join the UCC federal group tax exemption must complete this application. The Local Church must have standing as a Schedule 0 UCC Local Church or Schedule 4 Proposed Congregation/New Church Start.

A Local Church of the United Church of Christ is eligible for inclusion in the group exemption ruling if it:

- meets the requirements to be tax exempt under Internal Revenue Code § 501(c)(3);
- provides its Federal Employer Identification Number (EIN) in this application; and
- includes the following required uniform purpose statement in its governing instrument (articles of association, articles of incorporation, bylaws): **The purpose of this organization is to be a Local Church of the United Church of Christ as described in the United Church of Christ Constitution.**

Include the governing instrument with this application.

When the application is approved, the National Ministries can provide a letter to the church as proof of its tax-exempt status.

A Local Church can be exempt from federal income tax without being included in the UCC's group exemption ruling, but the National Ministries cannot provide proof of tax-exempt status. If you wish to be included in the UCC's group exemption ruling, please complete the form below.
