Write Your Congress Members

Write your U.S. Representative and both of your U.S. Senators:

Step 1: Address them as "Dear Representative/Senator (Last Name)"

Step 2: Identify yourself as a voter who is a person of faith or conscience rooted in the community as a teacher, church member, volunteer, etc. (No more than one sentence).

Step 3: Share why you are particularly concerned about the environmental impacts of data centers. For example, you care about the health and well-being of children, neighbors, wildlife, etc. (No more than one sentence).

Step 4: If they are a U.S. Representative, urge them to co-sponsor H.R. 6983 and 6984. If they are a U.S. Senator, urge them to co-sponsor S. 5054.

Step 5: Sign the card and give your address, so that they know you are a constituent in their Congressional district or state.

Bonus Step: Feel free to take the instruction sheet and blank postcards home with you, so that you can help a friend or two write their own cards, but be prepared to deliver the postcards in-person to the local offices of your representatives and senators.

Dear Representative/Senator _____,

[Who you are, why you care, and what you are asking for.]

Sincerely,
[First Name, Last Name]
[Address]
